

## Wednesday Evening Events | Scoring System

The WEE series puts every competitor on an equal footing with respect to age and gender. With the exception of M21, your race time is reduced by a factor which aims to create a level playing field. A W70, after their adjustment is applied, may well have a better time than an M21.

Each WEE series runs for one month. As well as competing in individual races you are part of the WEE series league. Your best three performances across a series are aggregated to give you a league position.

Officials' league positions are protected. If you are officiating as a planner or organiser you are allocated a performance for that event equal to your best performance of any other race you competed in during the series.

Example:

- M21 finishes in 25:00 minutes
- W70 finishes in 50:00 minutes
- W70 time is multiplied by 0.48
- W70 adjusted time is 24:00 minutes

the result is that W70 beats M21 and that is the spirit of the WEE!

*Your race time is reduced by multiplying it by the adjustment factor for your age and gender*
